# AHMED BASALIB

Senior Software Engineer | Senior Frontend Engineer | Reactjs | Nextjs | Vuejs | Technical Product Manager

I'm a passionate Software Engineer with a solid track record in the field. Holding a bachelor's degree in Computer Science and Engineering. Experienced in organising, planning, managing, developing, testing, and maintaining software applications with the full knowledge of software development life cycle. I collaborate with cross-functional teams to develop and implement new features and products. I love and enjoy building successful software products.
